

## Circle of Friends

A Program of the  
Little Compton  
Community Center

**Established in 1999, Circle of Friends is a monthly social program for teenagers and adults with disabilities. Each month we gather together for two hours on a Saturday evening to share a meal with family and community volunteers and enjoy a variety of fun activities. Dinner is served at 5:00 pm with the activities following.**

The Little Compton Community Center organizes these fun evenings and coordinates the different activities. Meals are prepared or sponsored by generous volunteers and served sit-down family style. Most gatherings occur at the Community Center, which is fully handicapped accessible, including ramps and an elevator.

Participants are welcome from all over Rhode Island and nearby Massachusetts. Circle of Friends is a rewarding and uplifting program for all involved. For more information or to get on the program's mailing list, contact Lydia Greene at 635-2400 or [lgreene@lccenter.com](mailto:lgreene@lccenter.com).
