

## **Circle of Friends**

A Program of the  
Little Compton  
Community Center

**Established in 1999, Circle of Friends is a monthly social program for teenagers and adults with disabilities. Each month, disabled teens and adults, together with family and community volunteers, gather from 5:00 to 7:00 for an activity and a meal.**

The Little Compton Community Center coordinates different fun activities each month and organizes volunteers to sponsor the meal, which are served in a sit-down family style. Most gatherings occur at the Community Center, which is fully handicapped accessible, including ramps and an elevator.

Participants are welcome from all over Rhode Island and nearby Massachusetts. Circle of Friends is a rewarding and uplifting program for all involved. For more information or to get on the program's mailing list, contact Lydia Greene at 635-2400 or [lgreene@lccenter.com](mailto:lgreene@lccenter.com).
